SUBJECT: Notice of Intent to Award

RFP #002197-UC Systemwide RFP For Information Technology Security Tools (RFP)

The University of California (UC) has completed its evaluation of proposals in response to the UC Systemwide RFP for IT Security Tools and intends to award the Identity Governance and Admin sub-category to your company. I will represent UC in this regard. The proposed Purchasing Agreement and related documentation have been uploaded into a shared folder into Box to which you should have received an invite to access. Please direct all communications regarding the UC contract and this Notice of Intent to Award to me, and direct all OMNIA Partners communications Deborah Bushnell, Deborah.bushnell@omniapartners.com.

This Notice of Intent to Award is non-binding. If your company does not agree with UC on agreement and pricing terms, UC will not award to your company. Your company may not begin work, purchase materials, or enter into subcontracts relating to the project before both parties sign an agreement, unless prior written approval is obtained from me. UC reserves the right to cancel this Notice of Intent to Award at any time before both parties sign an agreement.

Please don't hesitate to contact me if you have any questions about this Notice of Letter of Intent to Award.

Sincerely
